Dear Praying Friends,

I hope you are having a wonderful holiday season thus far. I am enjoying the blessings of God myself, and anticipating a joyous Christmas season.

After my last report, I worked my way back to the Southeast preaching in Nebraska, Iowa, Illinois, Tennessee, North Carolina, Georgia and finally Alabama. I am currently in my holiday season where I usually spend time reporting to churches in my home area and preaching in some of those churches, but I am making adjustments as I am spending some time in North Carolina right now.

Though I have pushed forward doing this ministry with very little monthly support over these past five years, I must now make myself do more deputation over the next few months. I did have an additional church take me on just before I headed out for the summer and another just as I returned to the southeast, for which I praise the Lord. I also praise the Lord that the original \$41,000 medical bill from 6 agencies for my emergency surgery only requires about \$3,000 to clear. This is due to God's people who gave toward this need which allowed me to negotiate balances and pay off all but the main hospital bill and I was able to get that drastically reduced. I trust God to meet this need very soon. I have also enrolled in a Christian healthcare ministry to cover any future medical needs.

I've mentioned the need for a larger RV and additional support in my last few newsletters without much explanation. I can now clarify that I must make accommodations for my future wife. On October 12, 2017 I became engaged to Angela Humphries, a pastor's daughter in Moncure, NC. We have several things to settle before we can set a date, including a place to live (an RV to live in as we travel the country). Please pray for direction and provision from God as we plan for our future together in the ministry.

I wish you all a very merry Christmas and a happy New Year!

A Servant of Christ,

Missionary/Evangelist Van Billingsley
